HORLICK'S

MALTED MILK

(In Powder form).

THE IDEAL FOOD FOR ALL AGES.

Suitable for all ages—the robust as well as the weak. All are benefited by its use.

An Ideal Family Food. The best breakfast and supper beverage—no cooking—only water to be added—can be taken hot or cold. Mix to a smooth paste, and then fill up to the desired quantity—no cooking required.

The best modified Milk for Infants. Absolutely free from bacteria. Will keep indefinitely, and requires only the addition of water to be ready for use.

When mixed in the proportion of 6 to 8 times its bulk of water is the nearest approach of all foods to Mother's Milk, and contains no starch.

The Ideal Food because it contains all the necessary constituents to build up, nourish, strengthen, and form nerve, bone, and muscle.

Many foods and articles of diet contain Proteids, Fats, and Carbo-hydrates in such varying proportions that they do not really feed or build up the constitution, one or other being in excess, and a large percentage go to waste, thereby overtaxing the stomach and intestines and defeating the object for which they were intended.

In Horlick's Malted Milk the proper proportions of Proteids, Fats, and Carbo-hydrates have been provided, and are present in the quantities required by Nature, and in such form as to be easily assimilated without any strain upon the digestive organs.

In Bottles 1/6, 2/6, 11/-

Stocked by HEDGES & SON.

A TERRIBLE COUGH.

A TERRIBLE COUGH.

A TERRIBLE COUGH.

"94, Commercial Road, Peckham, July 12th.

"Dear Sir,—I am a poor hand at expressing my feelings, but I should like to thank you. Your Lozenges have done wonders in relieving my terrible cough. Since I had the operation of 'Tracheotomy' (the same as the late Emperor of Germany, and unlike him, thank God, I am still alive) performed at St. Bartholomew's Hospital, no one could possibly have had a more violent cough; it was so bad at times that it quite exhausted me. The mucous, which was very copious and hard, has been softened, and I have been able to get rid of it without difficulty.

"I am, sir, yours truly, J. HILL."

"Roath Park, Cardiff, South Wales, Sept. 28th, 1893.

"I have, indeed, great pleasure in adding my testimony to your excellent preparation of Cough Lozenges, and I have prescribed it now for the last eight years in my hospitals and private practice, and found it of great benefit. I often suffer from Chronic Bronchitis; your Lozenge is the only remedy which gives me immediate ease. Therefore I certainly and most strongly recommend your Lozenges to the public who may suffer from Catarrh, Bronchitis, Winter Cough, or any kind of Pulmonary Irritation.

EDWARDS' Brilliantine 'UZON'

(TRADE MARK)

The Art of Beautifying the Hair.

"Uzon" sufficiently lubricates the hair to render it supple and glossy without matting it or clogging the hair follicles, and should be used from time to time when the hair shows any tendency to dryness, and should be applied after washing the hair.

Many so-called brilliantines, pomades, and oils are most undesirable, as they make the hair messy and sticky.

"Uzon" has this great advantage—it has no sediment and is beautifully clear, and certainly improves the appearance of the hair to a wonderful extent. "Uzon" is admitted by those who have tried it to be the best preparation on the market.

Messrs. Edwards have chosen the trade mark "Uzon" in order to keep their Brilliantine distinct from all other preparations of the kind.

However, if you have any difficulty in procuring "Uzon," we will send on receipt of P.O.O., post free. 1s. and 2s. 6d. per bottle.

EDWARDS'

'Cremex'

Shampoo Powder.

Should always be used in preference to Soap!

A delightful Preparation for washing and thoroughly cleansing the Hair and Scalp. Permanently removes Scurf, Dandruff, etc., and the application makes the Hair soft, pliable, and glossy. "Cremex" is a scalp and hair invigorator, surpassing in power and in convenience of use any shampoo powder which has ever been offered to the public for the purpose of curing scurf, purifying and strengthening the hair.

The Doctor Says

"Your children will soon lose that puny, delicate, thin look, if you give them Cod Liver Oil."

"But," you say, "they won't take it!"

You're mistaken. They will take it, if you give it them in the delicious, palatable form of . . .

"Three Crowns" Cod Liver Oil Cream.

This is no fanciful name. It is a cream. It is sweet (but not sickly sweet). It is easily digested. There is no taste of the oil in it. It is fattening, sustaining, and cold resisting, and you will see a wonderful difference in children who take it regularly for a time. They become healthy, strong, and bonny. It is sold in bottles—

2/9 size, 1/-; 4/6 size, 1/8,

at all Hedges' shops.

A Birmingham Mother writes—

TO MESSRS. HEDGES & SONS,

DEAR SIRS.—I write to tell you the great benefit my little boy has received by taking "Three Crowns" Cod Liver Oil Cream on several occasions.

On one occasion he had pneumonia, and being brought down very weak, I started giving him the Emulsion, with marvellous results. He was then five years old, now he is nearly seven, and I have never been without it since, as a dose or two does wonders for all kinds of Coughs and Colds.

It is not to be equalled, and I have gained great benefit also myself.
